StreetSiren Double Deck

StreetSiren Double Deck is an outdoor siren with a spot for a customizable screen printed siren cover that demonstrates the logo and contact information of the service provider. It generates a sound of up to 113 dB at a distance of 1 m to deter burglars. StreetSiren Double Deck operates up to 5 years on pre-installed batteries and can be powered from a 12 V DC supply.

Operates even at extremely high or low temperatures

Indicates alarms and armed/disarmed mode with sound and light

Generates an audible warning if delay when entering/leaving feature is activated
