Product Overview

Excel1U MicroLan Keystone Patch Panel provides the mounting facility for up to 12 Excel Keystone jacks. The modular design accommodates jacks of Category 5e, 6 & 6A and allows for part panels to be installed. This patch panel may be used in either a screened or unscreened structured cabling system and is supplied complete with a fitted earth bonding wire. The list of recommended, compatible jacks are listed below. Cage nuts and screws are supplied for fitting.
